

CIVIL SOCIETY

ROMA INTEGRATION IN THE FOCUS OF MINORITY MEDIA

Project Objectives

To stimulate the development of media production, committed to ethnic community issues, including:

- "Sharen kon" ("Dappled Horse"), Radio New Europe;
- "Svetat na romite" ("The World of Roma People"), BNT;
- Newspaper AKANA;
- Newspaper Drom Dromendar.

To support the process of full Roma integration into Bulgarian society through adequate media presence;

To develop multicultural media products, providing for the extension of the processes of mutual acquaintance of the communities in Bulgaria.

Project Implementation Tools

- Analysis of the achievements, strengths and weaknesses of minority media and the emerging new opportunities for their development;
- Development of ideas and directions for the purposes of formulating clear priorities for the minority media support policies.

Project Status

In progress

Project Development
