

LEGAL PROGRAM

ACCESS TO JUSTICE: PUBLICATION OF A BOOK

Project Objectives

Analyzing the data obtained by the study of legal assistance conducted by Open Society Institute – Sofia in 2006, as well as publishing a book with the results.

Project Implementation Tools

Publishing a book dedicated to the issues concerning legal assistance and which discusses the results from the empirical research done in 2004.

Project Status

Completed

Project Development

Gergana Marnova, a doctor of law, together with a panel of specialists prepared a book called "Access to Justice – protection by the state concerning civil cases".

Results

After the different chapters of the edition were specified and approved of by Open Society Institute – Sofia, 1000 copies of the book were published.
