

PUBLIC POLICIES

MONITORING OF THE ACTIVITY OF SOFIA CITY COUNCIL (SCC) AND PUBLIC REGISTER OF THE MUNICIPAL PROPERTY TRANSACTIONS

Project Objectives

Raising the level of transparency at Sofia Municipality and guaranteeing the public character of decision-making through development of a public register of the municipal property transactions and monitoring the activities, related to:

- Economic policy and municipal property;
- Municipal budget;
- Urban planning, architecture and construction;
- Ecology and land use.

Project Implementation Tools

- Physical presence at the sessions of SCC;
- Drawing up reports on the individual sessions of SCC and the commissions thereto;
- Summarizing the reports of the sessions in a provisional and final report;
- Development of public register software.

Project Status

Under design.

Results

- Provisional and final report of the monitoring on the activity of Sofia City Council, presented to the media and interested persons;
- Developed public register software of the municipal property transactions;
- Issuing booklets (1 and 2) on the revenues and expenses of Sofia City Council.
