

## PUBLIC POLICIES

---

### MUNICIPAL POLICIES CENTER

#### Project Objectives

- Drawing up and introduction of instruments, oriented to the pursuing adequate public policies on municipal level;
- Raising the accountability and transparency upon planning and reporting municipal budget, and strengthening civic participation and control of municipal budgetary process;
- Raising the capacity of the ombudsman institution.

#### Project Implementation Tools

- Assistance in the working out a municipal program for child protection at Sofia Municipality;
- Institutionalization of Municipal Fund "Culture" at Sofia Municipality;
- Promotion of civic participation in the public debate on the project and the budget report, and raising the awareness of the essence of municipal budget;
- Raising the capacity of the ombudsman institution.

#### Project Status

In progress.

#### Results

The project will contribute to designing a municipal program for protection of the child at Sofia Municipality and institutionalization of the Municipal Fund "Culture" at Sofia Municipality. Meanwhile, there will be efforts for raising the capacity of the ombudsmen in the municipalities around the country.
