

PUBLIC POLICIES

ROLE OF MUNICIPALITIES IN THE PROCESS OF ABSORPTION OF FUNDS UNDER EU PROGRAMS

Project Objectives

Raising the capacity of municipalities for absorption of funds under the pre-accession programs and the Structural Funds of EU.

Project Implementation Tools

Series of two-day interactive trainings, organized on a modular principle in 20 pilot municipalities. The trainings are oriented to the people, who are directly engaged in the design of projects and strategic and planning documents on municipal level.

Project Status

In progress.

Project Development

20 pilot municipalities, selected on the basis of a competition. The training program is currently being realized.

Results

40 representatives of the municipal administration are trained.
