

## PUBLIC POLICIES

### EFFICIENCY EVALUATION OF THE STATE BUDGETARY PROCESS AND ITS ECONOMIC CONSEQUENCES

---

#### **Project Objectives**

To make an evaluation of the procedures, related to the drawing up and spending the state budget and budget surplus, and to work out recommendations for enhanced transparency and efficiency of the budgetary process.

#### **Project Implementation Tools**

1. Expert studying of the budgetary process:
  - Legal framework analysis;
  - Analysis of the practices for the last 3 years.
2. Identification of strengths and weaknesses, threats and opportunities (SWOT analysis).
3. Focus group, consisting of representatives of the executive power (Ministry of Finance, a Ministry, Agency for Economic Analysis and Forecasting, National Audit Office, a member of parliament).
4. Drawing up recommendations for:
  - Legislative changes;
  - Improvement of the institutional coordination within the process.
5. Conference presenting the results of the study and the recommendations on the budgetary process to interested persons and institutions.

#### **Project Status**

Under design.

#### **Results**

Summarized Report for evaluation of the budgetary process in Republic of Bulgaria.
