

# Joint programs with foreign universities in Bulgaria

## BULGARIAN UNIVERSITY RANKING SYSTEM 2022

This list contains information about the joint programs of Bulgarian Higher Education Institutions with foreign universities. The information on the number and type of joint programs has been collected for the purposes of the *Bulgarian University Ranking System* in June-July 2022. The data was provided and verified by the Bulgarian HEIs.

The term „joint programs“ involves the following forms of student training cooperation between Bulgarian Higher Education Institutions and foreign universities and/or accrediting institutions:

1. Agreements for combined educational activity with foreign universities providing for the award of **double degrees and/or joint degrees**.
2. **Education Franchise** Agreements with foreign universities.
3. **Accreditations** from foreign accreditation agencies for separate professional fields studied in Bulgarian universities or foreign accreditation of an entire Bulgarian university.

As a whole, all three types of joint programs provide the students with foreign degrees.

## Joint programs with foreign universities in Bulgaria

| University   | Professional field                   | Foreign university partner   | Joint program type   | Country                         | Majors  | Language of tuition | Year of launching | Qualification degree | PhD |
